Pistol grip

When welding with the pistol grip handle, the shoulder and elbow position is completely different and the **muscle strength load is up to 64% lower**. The pistol grip is included in every standard ERGOPLUS and ERGOFRESH MIG welding torch sales package.

**Pistol grip**

Configurator for TIG torches

CUSTOMIZE THE RIGHT TIG TORCH FOR YOUR NEEDS IN A FEW STEPS THROUGH OUR **CONFIGURATOR**.

Over 45.000 possible TIG torch configurations are available in our configurator. Design any torch based on your individual needs, from the control buttons to the torch head and more.

Visit **trafimet.com** and configure the torch suited for your needs.

ADAPTIG

EXPERTIG
